EQI WALL MOUNTED OUTDOOR SHOWER

Curved showerhead

A wall-mounted outdoor shower from the EQI series is a frost-free and elegant solution. The timeless design means that the shower can fit into any environment.

With the frost-proof DUO shower, you can also choose whether you prefer a soothing and warm bath or a cool and invigorating rinse - all year round. The shower is hand-assembled in Denmark and produced from solid materials, so you get a solution that you can enjoy for many years.

EQI WALL MOUNTED OUTDOOR SHOWER

Curved showerhead

Frostline, crafted in Denmark for over 25 years, presents a diverse collection of frost-free outdoor products renowned for their elegant design, superior quality, and functionality. Our showers feature a mechanical valve that efficiently drains water after each use, enabling year-round usage without electricity. Constructed from stainless steel, they are environmentally friendly. With dual handles, adjusting water temperature is effortless.

Glassblown

Copper

Brass

IMPORTANT

Wall mounting: For frost-proof function and guarantee, there is a requirement for a frost-free water supply year-round and that the product has a slope of at least 2-3% towards the outer wall. Additionally, a product in standard measurements should be used. Note: At temperatures below 5 degrees Celsius, hose fittings or other equipment that reduces clearance must not be installed.

Specifications

Product dimensions

Connection	15 mm el. ½"
Center distance	153 mm
Backplate H-W	240 mm x 105 mm
Shower head	Ø 143 mm
Shower pipe	Ø 15 mm
