EQI WALL MOUNTED KITCHEN TAP

Use your outdoor kitchen all year round with the frost-free and wall-mounted outdoor kitchen faucet from the EQI series with cold and hot water.

The s-shaped spout has an elegant and light expression. The fixture is made of solid, glass-blown stainless steel, so it is suitable for outdoor use.

EQI WALL-HANGED KITCHEN LAMP

Frostline is manufactured in Denmark and today has more than 25 years of experience. We offer a wide range of frost-free outdoor products in beautiful design, high quality and with great functionality. The fixture works by emptying the water after use, so you can use your outdoor kitchen all year round. Our products do not require the use of electricity to ensure frost-freeness, and are made of stainless steel, so environmentally friendly in every way. The fitting has two handles, so you can choose the temperature you need.

Glass blown

Copper

IMPORTANT

Wall mounting: For frost-proof function and guarantee, there is a requirement for a frost-free water supply all year round and that the product has a fall of at least 2-3‰ towards the outer wall. Furthermore, that a product in standard dimensions is used. Note: At temperatures below 5 degrees, hose nozzles or other equipment that reduces light must not be fitted.
